1) Subd with reference to paras 5 and 6 of the note. Sri Beeraffa, senior Asst Secy, was appointed Dy Director of Ins and Spl Officer for Sri M. Visveswarayya's Industrial Scheme and Komee) on pat notification dt 22/2/50. It is now proposed to grant this officer an allowance commensurate with the arduous and responsible nature of his new work.

2) In para 9 of the note in Collection Ste 1824-49 leading to the appointment of Sri B. Beeraffa as Special Officer for the implementation of Sri M. Visveswarayya's Scheme for Industrialisation of Rural Areas sanctioned in Govt dt 5/1/50, the Hon'ble Minister for Finance and Monopolies has minuted as follows:-

"He has seen Sri M Visveswaraya who has left the choice to me. He was drawing certain allowances amounting in all to Rs 130/-. His only allowance may amount to Rs 120/- p.m. being 20% of his salary which is now Rs 600/- Since the work is one of organisation and building up something which is new and difficult his allowance has to be in keeping with the

nature of his duties which involve in the words of Sri M. Visvesvaraya initiative and drive."

"The financial Secretary will note Early and then submit to the Hon'ble Chief Minister for his perusal posted immediately."

(9) The Financial Secretary has noted in the file as follows:—

"If the duty is arduous and entails more than ordinary responsibility the full 20% deputation Allowance may be paid." (Para 11 of the note in I & C 184-49)

(10) [The Hon'ble Chief Minister (has) minuted as follows:—

"The Quantum of allowance may be decided later when we will deal in general with the subject of allowance at about the end of this month. Any way it will not be less than 20% agreed to above. Perhaps it may have to be more"]

13) Please work up further with reference to another letter received today from the Comptroller seeking clarification re: the officer's pay and allowance in his new appointment.

Sri
4.4.50.

Letter no. 969/ G.A.D 47 2/3/50 from the Comptroller requesting orders whether Sri B. Basavaiah, Dy Dir of Ind and Comce and Special Offr in charge of Sri M. Visveswarayya Scheme for the Industrialisation of Rural Areas, be allowed to draw his own grade pay of Rs 600/- P.M. as Senior Asstt Comr or he should be allowed to draw the grade pay of the post of Dy Dir of Ind and Comce (Rs 600 - 50/2 - 700) and whether the DA of 50/- p.m. usually allowed to Asstt Comrs posted as Asstts to Heads of Depts may also be paid to him.

14) Sri Basavaiah may, in the normal course, have to draw the grade pay as Senior Asstt Comr and not the grade pay attached to the new post viz Dy Dir of Ind & Comce; as otherwise it would prejudice the seniority of others over him in the regular line. In a similar case, Sri R. J

Serial No.

while he was Chief Instr, Typewriting.

Regn was admitted only to this grade pay as D-6 and not the grade pay attached to the post of Chief Instr, Typewriting.

16) As regards the grant of Duty allowance of Rs 50/- P.M to Sri Beraffa, it is proposed to grant him a Deputation allowance of 20% or even more of his pay as already indicated in para 15 of the note. ~~[illegible]~~ This aspect of the question may have to be pursued.

17) This is a Council matter requiring financial concurrence

by 6/9/50

18) [The quantum of Deputation allce has since been reduced to 1/10th of pay w.e.f 1.4.50.] In view of the minute of the Chief Minister at para 12 of D & C Coll^n. No. 184-49/1-2, the question of the grant of D.A. to the officer may have to be deferred till the policy to be followed in the matter hereafter is decided upon, and taken up only with the general question of the rationalisation of allowances. As this may take time, it is for Consideration whether any allowance may be granted on a provisional basis subject to the lower limit indicated in the Chief Minister's minute at para 12 of the notes in the D & C Coll^n. placed below. It is also for Consideration whether, in view of the general reduction orders in regard to the

Note.—Contn. Sheet.

Serial No.

percentage of D.A. the lower limit indicated in the Chief Ministers minute has to be deemed to mean 1/10 of pay as a minimum or whether, as indicated in the Comptroller's letter, Sri Beerappa may be regarded as an Asst. Comr. working under a Head of a Dept. in Bangalore and allowed the usual D.A. of Rs. 50/-. In my case, so long as the D.A. is limited either to 1/10th of pay or to Rs. 50/- as in the second Category, the proposal would seem to be unobjectionable and F.D. has already agreed to the same.

4) As regards pay, Sri Beerappa is a Senior Asst. Comr. drawing Rs. 600/- the maximum of the grade pay of a Senior Asst. Comr. The post of Dy. Dir. of I & C against which Sri Beerappa is appointed carries a grade pay of Rs. 600-50/2-700. The rule to be followed in such cases is nowhere laid down, and in practice, different courses have been adopted in different cases. e.g. Sri T. Thimmoo Chetty was allowed the grade pay of the Secy. Mysore Govt. Insurance Deptt. (Rs. 800-50-1200) when he was only an Asst. Comr. On the other hand, Sri B.M. Krishnan has recently been posted as Secy. of the Insurance Deptt. on his own grade pay. The case of Sri Rego has already

Serial No.

"Y"

been cited above.

20) The Dir. of I & C. has recommended that Sri Beerappa may be allowed his grade pay in the Rev. Deptt. plus the usual deputation allce.

21) The pay and allowance, if any, to be allowed to Sri Beerappa in his new appointment as Dy. Dir. of I & C is for orders.

22) Sir M. V's scheme for Industrialisation of rural areas has been sanctioned for a period of one year in the first instance, and this officer may perhaps be expected to remain in charge of the scheme for one year at a minimum.

6.4.50.

23) The points for consideration are the following:—

(a) The grade pay to be allowed to Sri B. Beerappa as Dy. Dir of Ind & Com and Spl. officer for being in charge of Sir M. Visvesvarayya's Scheme for the industrialisation of Rural Areas

(b) The allowances to be allowed to Sri B. Beerappa in the new charge.

Re: (a)

24) G.O. No. 7776-857 I&C. 184-49-1 dated 5th January 1950, sanctioning the implementation of Sir M. Visvesvarayya's scheme for industrialisation of rural areas in the Districts of Bangalore and Kolar

Serial No.

states that the Comr. of Rural Development and Planning, the Dy. Comrs. of two districts and other Hds of Depts should pay their personal attention to this matter and afford all necessary help to the Addl. Dir of Ind & Com to implement the Scheme, though in the Fin note submitted in connection with this Scheme it has been stated that "a competent officer with initiative, drive etc be appointed to be in charge of the scheme. The Dir of Ind & Com in his letter dated 13-1-1950 suggested that Sri B. Beerappa, Asst to the Rev. Comr be posted as Dy. Dir, who would be assisted by the technical staff of Supts etc sanctioned under the scheme and entrusted with certain other suitable items of work handled by them & the Addl. Dir & that he may be given his grade pay in the Rev. Dept & deputation allowance @ 20% of his pay. In Govt Notifn No. D 9169/DIC.184-49-2 dated 22-2-1950, Sri B. Beerappa, Sr Asst Comr, was ~~appointed~~ posted as Dy. Dir of Ind & Com and Spl. officer for being in charge of Sir M. Visvesvarayya's Scheme for Industrialisation of Rural Areas. ~~Sri~~

"Y"

25) Sri Beerappa is a Sr Asst Comr drawing a pay of Rs 600/- in the grade of

Serial No.

of Rs 500-25-600. The appointment of Dy. Dir of Ind & Com against which Sri Beerappa is appointed carries the grade of Rs 600-50/2-700 [In the file leading to the appointment of Sri Beerappa as Dy. Dir] the question of pay to be allowed has not been specifically decided. In para 38 of the notes in D&C. file no. 184-49 (1&2) the chief Secy has noted as under :-

" ..26) Apparently the idea is to promote Sri Siddalingappa as Dy. Dir of Ind & Com during the time of Sri Beerappa on other duty as Spl. officer, the latter being given a superior lien on the post of the Dy. Dir of Ind & Com."

In View of this Sri Beerappa may have to be allowed the grade pay of Rs 600-50/2-700 so long as he holds the post of Dy. Dir of Ind & Com. Sri Beerappa is already drawing a pay of Rs 600/- no immediate extra cost is involved thereby. Besides the scheme in question having been sanctioned for a period of one year in the first instance, the question of drawing increment in the grade does not arise. It is only when the period is extended beyond two

Serial No.

years, and Sri Benappa continues to be in charge of the post, the next increment may have to be sanctioned.

27) [In the above circumstances Sri Benappa may be put in the grade of Rs 600-50/2-700, subject to the condition that on this reversion to the Rev. Dept. he will not claim the pay he will be drawing as Dy Dir.]

Re: (b)

28) In para 9 of the notes in the file No. 184-49 (1+2) Hon for Fin & Ind has minuted that the duty allowance may amount to Rs 120/- being 20% of his salary which ~~has~~ is at present is Rs 600/- and the Chief Hon in para 12 of the notes has minuted that it will not be less than 20% agreed to above Perhaps it may have to be more. Subsequent to these minutes the quantum of Deputation Allowance has been reduced to 1/10th of pay with effect from 1-4-50. It is however minuted by the Chief Hon that the ~~question~~ amount of allowance to be granted may be decided along with the general question of allowances. It may take some time

Serial No.

to dispose of the general question, and it appears reasonable that an allowance may be granted on a "provisional basis subject to the lower limit indicated in the Chief Minister's minute at para 12 of the notes viz 20% of the pay, specially when it has been recognised by all that the duty is onerous and entails more than ordinary responsibility. Any amount lower than this limit would not be in commensurate with the duties involved. Fin. concurrence is also necessary.

GOVT. OF MY[illegible]

29 I consider that nothing prevents Sri Beerappa's being allowed the grade pay of Rs 600-50/2-700 so long as he holds this post of Dy. Director of Indr Commerce. In the case of Sri Rego (cited at para 15), the question of the grade he should be allowed was not considered when he was posted, and it is only when he claimed his increment as Chief Auditor that he was considered as "doing duty," (though shown as O.O.D all along, as can be seen from the Civil list), and was denied the benefit of the increment. The reasons for this are not known, but, doubtless, there must have been some reasons: it does not,

therefore, seem necessary to cite this case as a precedent to the detriment of Sri Beerappa's case. Regarding Sri B.M. Krishnan (cited at para 19), it is understood that the question of his pay is being reconsidered.

30) If Sri Beerappa is given the grade pay of the post, the question of his being given a Deputation allowance will not arise, as he cannot then be considered as being on "deputation" within the meaning of Art 37 M.S.R. In view of the arduous nature of the work involved, there will be a case for a suitable "Duty" allowance. The views of the Hon'ble Min. for F & S. and the Hon'ble Chief Min. in regard to the quantum of this allowance have already been expressed at paras 9 & 12 of the note in this file relating to Sri Beerappa's posting. Whether this Duty allowance may be fixed at Rs 120. (i.e. 20% of pay) or at a higher figure is a matter for decision.

samp
13/4/50.

31) If the intention is, as seems evident from the Council Resolution, to post Sri Beerappa as Dy. Director of C., he will have to be put in

Serial No.

the grade of 600 - 50/2 - 700, and there would be no question of giving him also a deputation allowance. Or else, he may remain essentially a Reo officer, or Asst. Comm. doing duty as Special officer, against the post of Dy. Dir., and given a deputation allce. accdg. to rules.

32) According to M.S.R., these two Courses only seem to be open, which of Course is subject to opinion of F/D.

33) There cannot be a deputation allowance and in addition a duty allowance. Ever since the Deputy Dir's post was created it has mostly remained vacant. It would be a curious sort of economy to fill it up now when the need for retrenchment is greater than ever before. The post may be retrenched. Sri Berappa may work as Special officer on the usual deputation allowance of 1/10 of the pay. If 20% is given in this case, the recent order will not remain effective for long.

CIRCULATION NOTE.

Subject: Grant of Deputation Allowance to Sri.B. Beerappa, Senior Assistant Commissioner, doing duty as Deputy Director of Industries and Commerce and Special Officer in charge of Sir M.Visveswaraya's Scheme for the Industrialisation of Rural Areas.

*****

In Notification No.9170/I&C.184-49-2 dated 22nd February 1950, Sri.B.Beerappa, Senior Assistant Commissioner was posted as Deputy Director of Industries and Commerce and Special Officer in charge of Sir M.Visveswaraya's Scheme for the Industrialisation of Rural Areas. The Director of Industries and Commerce has requested orders of Government regarding the grant of an allowance to Sri.B.Beerappa commensurate with the arduous and responsible nature of his new work. The Accountant-General has also requested orders of Government as to whether, while holding the post of Deputy Director of Industries and Commerce, Sri.Beerappa should be allowed to continue to draw his grade pay as Senior Assistant Commissioner or whether he should be allowed to draw the grade pay of the post of Deputy Director of Industries and Commerce (viz., 600-50/2-700). In Collection I&C.184-49 leading to the appointment of Sri.B.Beerappa as Special Officer for the implementation of Sir M.Visveswaraya's Scheme for Industrialisation of Rural Areas, the Hon'ble Minister for Finance and Industries has minuted as follows:-

"He was drawing certain allowances amounting in all Rs.130/-. His duty allowance may amount to Rs.120/- per mensem being 20% of his salary which is now Rs.600/-. Since the work is one of organisation and building up something which is new and difficult his allowance has to be in keeping with the nature of his duties which involve in the words of Sir M.Visveswaraya initiative and drive".

"The Financial Secretary will note early and then submit to the Hon'ble Chief Minister".

The Financial Secretary has noted in the file as follows:-

"If the duty is arduous and entails more than ordinary

responsibility the full 20% Deputation Allowance may be paid" (Para 11 of the note in I&C.184-49).

The Hon'ble Chief Minister minuted as follows:-

"The quantum of allowance may be decided later when we will deal in general with the subject of allowance at about the end of this month. Any way it will not be less than 20% agreed to above. Perhaps it may have to be more".

The quantum of Deputation Allowance has since the above were written, been reduced by Government for all such deputations generally, to 1/10 of pay with effect from 1st April 1950. (Vide G.O.No. Fl.7235-7335/S&A.137-49-2 dated 17th March 1950).

The Development Secretary has noted as follows:-

"I consider that nothing prevents Sri.Beerappa's being allowed the grade pay of Rs.600-50/2-700 so long as he holds the post of Deputy Director of Industries and Commerce. In the case of Sri.Rego, the question of the grade he should be allowed was not considered when he was posted, and it is only when he claimed his increment as Chief Auditor that he was considered as "doing duty" (though shown as O.O.D. all along, as can be seen from the Civil List), and was denied the benefit of the increment. The reasons for this are not known, but, doubtless, there must have been some reasons: it does not, therefore, seem necessary to cite this case as a prededent to the detriment of Sri.Beerappa's case. Regarding Sri.B.M.Krishnan, it is understood that the question of his pay is being reconsidered.

If Sri.Beerappa is given the grade pay of the post, the question of his being given a Deputation Allowance will not arise, as he cannot then be considered as being on "deputation" within the meaning of Art. 57 M.S.R. In view of the arduous nature of the work involved, his will be a case for a suitable "Duty" allowance. The views of the Hon'ble Minister for Finance and Industries and the Hon'ble Chief Minister in regard to the quantum of this allowance have already been expressed. Whether the Duty Allowance may be fixed at Rs.120/- (i.e., 20% of pay) or at a higher figure is a matter for decision".

The decision in Sri.B.M.Krishnan's case is as under:-

"that he is permitted to draw his grade pay in the Revenue Department plus an acting allowance at 1/5 of the minimum pay of the post in which he is acting (viz., 1/5 of 800) and that no deputation allowance be paid to him".

The Chief Secretary has noted as follows:-

"If the intention is, as seems evident from the Council Resolution, to post Sri.Beerappa as Deputy Director of Industries and Commerce, he will have to be put in the grade of 600-50/2-700, and there would be no question of giving him also a deputation allowance Or else, he may remain essentially a Revenue Officer, as Senior Assistant Commissioner doing duty as Special Officer, against the post of Deputy Director, and given a deputation allowance according to rules.

According to M.S.R. these two courses only seem to be open, which of course is subject to opinion of Financial Department".

The Financial Secretary has noted thereon as follows:-

"There cannot be a deputation allowance and in addition a duty allowance. Ever since the Deputy Director's post was created it has mostly remained vacant. It would be a curious sort of economy to fill it up now when the need for retrenchment is greater than ever before. The post may be retrenched. Sri.Beerappa may work as Special Officer on the usual deputation allowance of 1/10 of the pay. If 20% is given in this case, the recent order (G.O.No.Fl.7235-7335, S&A.137-49-2 dated 17th March 1950) will not remain effective for long".

The Hon'ble Minister for Finance and Industries has minuted as under:-

"So far as this case is concerned the matter has been decided. The Financial Secretary has said on 10th February 1950 in the other file that if the duties are arduous 20% duty allowance may be paid and the Hon'ble Chief Minister has said on 12th February 1950 that any way it will not be less than 20% and perhaps it may have to be more. As the Chief Secretary says that it must be as above or he must be put in the grade of the Deputy Director of Industries and Commerce 600-50/2-700. The former perhaps would be better".

The Hon'ble Chief Minister has minuted as under:-

"He may be given his grade pay as Senior Assistant Commissioner and an allowance of 20% of his pay on a provisional basis with effect from the date of his appointment as Special Officer".

The Hon'ble Minister for Finance and Industries and in charge Chief Minister has ordered that the case may be disposed of by circulation.

Hence this note.

Revised Cannil.

Subject:- Re-organisation of the Gazetted staff of the Industries and Commerce Department.

The question of the re-organisation of the Gazetted staff of the Industries & Commerce Department was considered at the Council meeting held on 24-9-1948, but the question was deferred with the instruction that the proposals be brought up-to-date in the light of recent changes. Accordingly, the matter was discussed by the then Development Secretary (Mr. C.C. Kotwal), and the Director of Industries & Commerce and they have made the following revised proposals:-

1. Joint Director of Industries & Commerce (Rs. 800-40/2-960):-

This post was sanctioned in G.O. No. 3970/C2-1148-48-2 dated, 3-6-1948, but has remained unfilled for the last three years. This post need not be filled up.

2. Assistant Director of Industries & Commerce (Finance) - (Rs. 500-25-650).

This post of Assistant Director (Finance) is now held by Sri M. Kasinath, who attends to financial matters connected with the Government Industrial concerns under the charge of the Director or the Additional Director, and other financial work of the Department in general. This may be continued permanently.

3. Financial Adviser - (Rs. 800-50/2-900).

This post was held by Mr. [illegible], who has left the Department, as Assistant Controller of Accounts and designated as Accounts Assistant, Mr. S.V. Ramadurai, Assistant Controller in the grade of Rs. 500-25-650, is now working in this post and attending to work connected with Cottage Industries, Textiles Industrial Estates etc. The post of Financial Adviser may be abolished and substituted by a second post of Assistant Director (Finance) with scale of Rs. 500-25-650, until such time as a separate Financial Adviser for the Department is formed.

4. Assistant Director (Commerce) - (Rs. 350-25-650):

Mr. V. Venkatachar is the permanent incumbent of this post. He is on deputation in the Department of Food Supplies and has recently been taken on to the Cotton Board. Mr. S.L. Nandappa is now officiating in this post.

8. Assistant Director (General) - No.C/3-22-CD.

Shri A.V. Siddalingappa is the permanent incumbent of this post.

9. Assistant Director (Rural Industries) -No. AGO-22/2-CD.

The late Shri K.S. Krishnan, whose services had been lent to this Mission Government, had a lien on this post. Shri B.K.L. Kanjappa was appointed on Rs. 350/- p.m. for a period of two years in this post on 8-2-1964. On 10-2-1966, Shri Kanjappa was appointed in Shri Venkatachar's vacancy. Since then this post has remained vacant. It may be made permanent on Rs. 400-22-600 and Shri K.L. Kanjappa confirmed in it. Should Shri Khan join, may be a.p.o. in place of Shri Venkatachar (No.4 above).

7. Assistant Director(Textiles)-(Handloom production of Cotton and Silk) (Retd).

In G.O.Ms.No.C.D.(3)-21/2 dt 0 22-12-11 dated, 11-2-1967, the post of Assistant Director of Textiles (Handloom Production of Cotton and Silk Cloth) and (Technical) were amalgamated. No pay was fixed for this post. Shri D.N. Gundu, Commercial Assistant on Rs. 220-22/2-320 (since revised to Rs. 280-12-380) has been appointed to this post. Pay of Rs. 322-22-400 may be fixed for this post.

6. Public Relations Officer (Textiles-Technical):-

No pay has been fixed for this post either. Since Shri Khan, Commercial Assistant, has been working against it on his own pay. The pay of this also may be fixed as Rs. 2 0-22-400 and a.p.c. Rao, Textile Superintendent (on L.A.) may be appointed to this post.

5. Commercial Assistant:- (No. AG-12-CD)

Shri B.D. Chaturvedi has a lien on this post. In view of his appointment as Assistant Director of Textiles (No. 7 above) Shri M.V. Krishnamurthy, Accounts Assistant, who is said to have completed his probation may be appointed to this post from the date of completion of probation.

4. [illegible]

10. Commercial Assistant - No. AG-1 -CD.

Shri Khan, Hindi Typist, has a lien on this post. As he is proposed to be appointed a.p.c. in Shri Venkatachar's vacancy (No. 6 above), the other probationer, Shri D.P. Sharma, may be appointed a.p.c. in this post after he completes his probation.

11. Textile Expert (New Post) -Rs. 650-30/2-800.

It is very necessary to have a Technical Expert in the cadre no. 450/50/2-600 to devote his full time and attention to the development of silk, cotton and woollen industries in the State, to conduct detailed investigation and to introduce new equipment and improve methods of production and designing etc. Janab K.A. Qadir, since returned from foreign service (Govt Bengal), may be appointed in this new post. His present post is that of General Manager, Government Silk Weaving Factory, in cadre no. 650-30/2-750 (personal).

12. General Manager, Government Silk Weaving Factory, Rampur:-

Janab K.A. Qadir has a lien on this post. As he is proposed to be appointed Textile Expert (No.11 above), Janab Aurifullah Nagvi, Acting General Manager, may be confirmed in this post.

The financial scrutiny has observed as follows:-

"I find from the proposition statement now sent up duly verified by audit that the extra cost on account of the newly proposed appointments amounts to Rs. 9,000/- per annum and that on account of the general revision of the pay of the existing appointments to Rs. 6,327 1/0 per annum. Against this, the Director says that the Deputy Director's post will be kept vacant, and that against the post of the Financial Adviser on Rs. 650-30/2-750, an Accounts Assistant of Assistant Comptroller's status will be taken. I need say that the savings expected from this source does not constitute any justification for large increase in establishment, and accepted as true. As I have repeatedly urged with all the emphasis at command of the Finance Department, our present budgetary position cannot afford addition of even the extra rupee. An exact account is between the head of every Department wholeheartedly to co-operate with the Government. I shall be failing in my duty if I do not reiterate this aspect of the matter at the very outset.

As noted by me in para 2(f) of the notes above, whereas an establishment in industrial concerns must be at the barest minimum. I do not know if this fundamental aspect has been duly considered by the Department. As the Finance Minister has however insisted that some increase is called for, I offer the following remarks:-

i) From the distribution statement furnished by the Director I feel that there is no need for all the officers proposed. Although it is an administrative matter, I should oppose my feeling that it is capable of reduction by at least 2.

ii) The place of the Deputy Director may be abolished without its being merely kept vacant.

iii) I am not convinced of the necessity of an additional appointment of a Textile Expert in the higher grade of Rs. 650-30/2-800/-. As a matter of fact, as will be seen from the Government order, dated, 11-2-47, two Assistant Directors were sanctioned in place of the Director of Textiles (Mr. B.P. Murthy). What is now sought to be done is practically the revival of the appointment though in a somewhat less grade, while the two Assistant Directors who were in place of the Director of Textiles are to continue. As already noted by me a Textile Expert cannot be said to be necessary when there are two Assistant Directors for the Textile Department. This appointment of (Textile Expert) may therefore be omitted from this proposition.

iv) I have no objection to grant the old grade of Rs. 800-50/2-900 to Mr. B.P. Murthy with effect from 11-2-47 as I find from the Government Order dated 11-2-47 that he has been appointed Assistant Director from that date. The grade will be Rs. 800-50-900 from 1-10-1949.

There is now the additional Director of I. & C. and I take it that the Textile Department is exclusively under his control and that the two Assistant Directors (Textiles) will work under him. In this view, this Department may be regarded separate and the two Assistant Directors need not be shared with those of the Industries Department proper. Accordingly, the seniority as noted by Mr. Meronha, need not be determined with reference to the Assistant Directors of the Textile Department.

Subject to these conditions, I agree with the proposals

The Minister for Finance & Industries, to whom the papers were submitted has minuted as follows:-

"This question has been pending as I have already noted from a very long time. The financial implications of the new proposals have been worked out and they result in an increase of Rs. 8,000/- per annum and

and another one of Rs. 6,000/- and all on account of revision of
salaries. The proposals provide for only 3 new posts - one, the
Textile Expert and two other, assistant director of rural industries.
The latter, however, is not exactly new as there was an assistant
director in charge of rural industries on Rs. 400-25/EB-500 and the
proposal now is only a conversion. But actually, there will be some
savings because (i) the post of the deputy director of industries
(carrying Rs. 650-50/2-750) will be kept vacant and (ii) against
the post of financial adviser on Rs. 700-50/2-750/- it is proposed to have
only an assistant controller on Rs. 550-25-800.

The financial secretary has suggested that the post of the deputy
director may be abolished without being kept vacant. There are
good many developments in hand and while every one should try to cut
down economy, it would be helpful to retain the post. I had an idea
of having a panel of assistant heads for cottage industries only.
To complete the textile work he has his job and has enough work.

I have not been able to understand why the Deputy Director
was appointed post haste in the circumstances in 1965 and later converted
to Financial Adviser was not given the grade of an Additional Director
when he was appointed as such in February 1967, on the proposal of the
Government to have two assistant directors in DIS-60/2-800. The grade
is DIS-50/2-750. But for some reason or another, possibly because he was
an Agricultural Assistant Director (textiles) his pay in scale DIS-60/2-800
was not allowed and he was made to draw his pay since his
appointment as assistant director. He ought to be given his pay in scale
Rs. DIS-50/2-750 from 11-2-1967, the date on which the severance could
took. He will draw his salary in grade Rs. 650-50-750 from 1-10-1969
the date of general revision.

The financial secretary suggests that the assistant director
(textiles) may not be placed with other assistant directors. There is
no real ground for the proposal on theoretical considerations. -C-

The other proposals of the Director of Industries and Commerce are
agreed. Council meeting on 29 circulation."

When the copies of the Circulation Note were circulated to the Ministers, the Revenue Minister minuted as follows:-

" In the note circulated some months back regarding the same subject matter Sri K.L. Nanjappa was placed above Sri D.R. Gunduraj and thus Sri K.L. Nanjappa was treated as senior to Sri Gunduraj.

In the note now circulated (as per proposals put up by the then Secretary to Government, Development Department and the Director of Industries & Commerce) it can be seen that Sri K.L. Nanjappa (Serial No. 6) is placed above. Sri D.R. Gunduraj (Serial No. 7). Dates of confirmation between Sri Nanjappa and Sri Gunduraj are not made quite clear. But I assume confirmation of the two officers will be made from the date of the issue of Government Order, i.e., now to be issued.

S ri Gunduraj was made the Assistant Director of Textiles, when Textiles was a separate department; as such, he will have to take his rank below Sri Nanjappa, since now both the Departments are amalgamated.

In case S ri Gunduraj is to be confirmed from 11-2-1947, then S ri Nanjappa is to be confirmed from 12-5-1945.

If these my above said remarks are in any way contrary to the proposals now made, then the matter may be discussed in the Council."

The Minister for Finance & Industries minuted as under:-

" I thought it would be better if the Government had the views of the Financial Department, which could examine their cases with reference to the various orders. I should have no objection to the matter being considered by the Council thereafter".

The Dewan ordered that the file may be sent to the Financial De partment before consideration in Council."

The file was accordingly s ent to the Comptroller through the Financial Department. The views of the Comptroller and the Financial Secretary are appended.

It has been ordered by the Chief Minister and the Dewan that the q uestion may be considered at a meeting of the Council. Accordingly this note is put up.

suit was ordered to be settled. At the time the Textile Department was clubbed with the Industries Department, according to the said Government order, the question of seniority of the several officers in the Industries Department should so times to have been settled. It has therefore to be taken that the Government order settling the cadre of Asst. Director, Handloom, can be taken to have been confirmed as Asst. Director in preference to others who were holding the posts of ~~Asst.~~ Directors on an acting or ad hoc basis.

In the circumstances, I agree to "A" in the Controller's note above.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Order No.D. 7776-85/J2C184-49-1 Dated, Bangalore, the 5th January, 1950.

The question of implementing Sir M.VisvesVaraiya's Scheme for industrialisation of rural areas has been under consideration of Government for some time past. Departmental officers and a few leading non-official workers were also consulted. The scheme was also discussed and finalised with Sir M.VisvesVaraiya.

After a full consideration of the matter Government are pleased to sanction the scheme which is intended to increase production and income in every unit area and spread discipline, habits of self-help and collective effort among the rural population. The salient features of the scheme are noted below:-

1. Distribution of rural areas into convenient Units.-

The rural areas are divided into convenient groups of villages containing about 10 to 20 villages with an aggregate population varying from 10,000 to 20,000. The present Revenue circle in Taluks be adopted as the village group units under the scheme.

2. Village Groups - Industries Development Committee:-

A Development Committee consisting of 7 to 12 members selected by the population of the group of villages be set up to carry on an intensive drive to persuade the population to start various types of small scale industries either by individual effort or as partnership concerns, co-operatives etc., on the lines suggested by Sir M.VisvesVaraiya in his pamphlet - "Village Industries Handbook". The Committees will devote themselves exclusively to industrial activity for the first three years. Items such as, Grow More Food Campaign, etc., may be added on later.

3. Funds for the working of the village group industries development Committee:-

A minimum fund of Rs.1,500/- should be realised in each village group area at about As.8/- per family per year to meet the expenses of the office and the staff. Well-to-do residents may contribute liberally up to Rs.10/- or more per family. Government will contribute an amount equivalent to the collections made by the Development Committee but not exceeding Rs.1,500/-, per circle per annum. Government grant will be made available for the first three years subject to satisfactory yearly progress.

4. Government help - Establishment of a Smithy - Carpentry Workshop in each District:-

In addition to making contributions for working of the village Group Committee as above, Government will appoint a Superintendent of Industries for each District with suitable staff to co-operate and advise these village committees. A smithy workshop and carpentry unit be established in a convenient central place in each District to serve as a production-cum-Training Centre. The estimate of costs prepared for the workshop is likely to be revised to a lower figure in view of the proposed establishment of Maintenance workshops sanctioned for the tractor organisation.

To begin with the scheme may be tried in the Districts of Bangalore and Kolar. The expenditure amounting in all to Rs.4,23,322/- may be debited to Industrial Development Fund.

The scheme is sanctioned for a period of one year in the first instance.

The Commissioner for Rural Development and Plannings, the Deputy Commissioners of the two Districts and other heads of Departments are requested to pay their personal attention to this matter and afford all necessary help to the Additional Director of Industries & Commerce to implement the scheme quickly and successfully.

The Additional Director of Industries & Commerce is requested to give highest priority to this scheme, watch its progress at all stages, see that the scheme is worked out properly and send monthly progress Reports to Government
